- The flowering period of lavender in **Hinode Park** is expected to be from mid-July to early August. During this season, you will encounter a whole purple field, nearby green fields, and distant mountain peaks. The whole scenery is so picturesque that you can take pictures casually. Just like a scenic postcard! In addition, from mid-May to late September, various flowers such as sage, lupine, German Alice, peonies, and roses

bloom in the park one after another. The entire sea of flowers looks very colorful. The beauty is breathtaking.

- **Shirogane Blue Pond**
- **Eat all you can of Hokkaido Melon**, Summer is the most delicious time for Hokkaido Melon. Furano, famous for its lavender fields, is also one of the famous producing areas of Melon. We had the opportunity to say to each other that Hokkaido Melon is "the best in Japan". The flesh is tender and juicy, with a rich aroma and layered texture, so delicious that you want to call it the King of Cantaloupe! (Limited time: around May 15th to September 15th, Because the production period of Melon is uncertain, if melon is not available during the period, strawberries and desserts will be substituted)
