DAY 1 SINGAPORE – NAIROBI

(Meals On Board)

Assemble at Singapore Changi Airport for your flight to **Nairobi**, capital city and the largest city of Kenya.

DAY 2 NAIROBI

(Meals On Board/Dinner)

Upon arrival, be welcomed by your lovely guide with some **essential pack** for your safari the next couple of days. Get into local understanding with a visit to **Bomas Of Kenya**, traditional villages belonging to the several Kenyan tribes. Bomas of Kenya is home to one of the largest auditoriums in Africa.

DAY 3 NAIROBI – MASAI MARA NATIONAL PARK

(Breakfast/Lunch/Dinner)

This morning, bid farewell to the city before you proceed to **Masai Mara National Park**. The National Park simply known as The Mara, is a large national game reserve in Kenya, contiguous with the Serengeti National Park in Tanzania. The park is named in honour of the Maasai people, the ancestral inhabitants of the area, who migrated to the area from the Nile Basin. After lunch, proceed for your afternoon **game-drive** in this vast reserve teeming with game. Be on the lookout for the Big 5 that The Mara is famous for and also the most sought after in the early 20th century. Some of the famous game include the lion, cape buffalo, savannah elephant, black rhino and the elusive leopard. You may wish to hop onboard the hot air balloon for a more overview of the National park at your own expense.

Note:

The Great Migration of Wildebeest takes place between July to October each year.

DAY 4 MASAI MARA NATIONAL PARK

(Breakfast/Lunch/Dinner)

Today, enjoy breakfast before proceeding for a full day of **game-drive** and adventure in the National Park. Be ready to spot for the Big 5 that Masai Mara is famous for. You may even be lucky to witness a leopard or a cheetah hunt for food or chase its prey. Thereafter, return back to the lodge for dinner.

Note:

The Great Migration of Wildebeest takes place between July to October each year.

DAY 5 MASAI MARA NATIONAL PARK – SERENGETI NATIONAL PARK

(Breakfast/Lunch/Dinner)

After breakfast, take scenic drive across the border to **Tanzania** where you will board your domestic flight to **Serengeti National Park**. Upon arrival, be greeted and welcomed by your lovely guide before heading for lunch. In the afternoon, proceed for an **afternoon game-drive** around the world-famous **Serengeti National Park**, the oldest park in Tanzania covering an area of 14,763 square kilometers. The Park is one of the world's last great wildlife refuges. The Serengeti ecosystem supports the greatest remaining concentration of plains game in Africa, including more than three million large mammals. Thereafter, proceed to your lodge for dinner.

Note: The Great Migration of Wildebeest takes place between July to October each year.

The Great Migration of Wildebeest takes place between July to October each year.

DAY 7 SERENGETI NATIONAL PARK – NGORONGORO CONSERVATION AREA

(Breakfast/Lunch/Dinner)

This day, depart for **Ngorongoro Conservation Area** enroute with a stop at **Olduvai Gorge**, one of the most important prehistoric sites in the world. Understand and learn about human evolution. Next, continue to your accommodation lodge for your check-in and lunch. This afternoon, relax in your lodge and enjoy the breathtaking spectacular views of **Ngorongoro Crater** below. The area of the crater accounts for only 3 percent of Ngorongoro Conservation Area. The crater is home to many species of wild game animals and birds including the endangered black rhino. Enjoy your dinner and your night overlooking the crater.

DAY 8 NGORONGORO CONSERVATION AREA

(Breakfast/Lunch/Dinner)

In the morning, descend down into the crater at 610 meter low, home to an abundance of wildlife and also a photogenic paradise. Be fascinated with a **full day of game-drive**. Ngorongoro Crater, the largest intact caldera in the world, teems with an abundance of wildlife permanently living on the crater floor. Prides of lion, herds of cape buffalo, rhino, giraffe, golden and black-backed jackal, zebra, cheetah, leopard and the spotted hyena roam freely on the crater floor plains. Unmatched for its natural variety and breathtaking beauty, there are few places on earth where such a tremendous diversity of landscapes exists inside a region this size. Apart from its wildlife riches, the crater is also of great archaeological importance, with the remains of some of mankind's earliest ancestors discovered in the area. Return to your lodge for some rest and relax time before dinner is served.

DAY 9 NGORONGORO CONSERVATION AREA – KILIMANJARO – SINGAPORE

(Breakfast/Lunch/Meals On Board)
